## Airport Corporation

February 15, 2023

**ADDENDUM NO. 3**  
**Invitation for Bids No. 33592**  
**PVD Taxiway C Realignment and Rehabilitation**  
**Rhode Island T. F. Green International Airport**

Prospective Bidders and all concerned are hereby notified of the following changes in the Invitation for Bids (IFB) No. 33592. These changes shall be incorporated in and shall become an integral part of the contract documents.

Q.1 Specification L-125 calls for Class 1B bases while drawings are showing either Class 1A or a mix of Class 1A and Class 1B accessories, which is correct?

A. All light bases and accessories shall be Class 1A. All references in the plans that reference 1B shall be changed to 1A. Upon award of a Contract, Issued For Construction documents will be issued and the above change will be incorporated.

Q.2 Bid Item 84 calls for HIGH INTENSITY RUNWAY EDGE LIGHT FIXTURE, SEMI-FLUSH, QUARTZ and Drawing EL504 Detail A3 calls for L850C(L) LED fixtures. Are these fixtures LED or Quartz?

A. All Runway edge lights, elevated or semi-flush shall be quartz. Upon award of a Contract, Issued For Construction documents will be issued and the above change will be incorporated.

Q.3 Bid Items 88 & 89 have no detail for these items. Are the base configurations to be the same as for light fixtures?

A. Payment for a complete edge light is broken into 2 pay items. One for the base and one for the fixture. Bid items 88 and 89 are for the light bases only. The fixtures are bid items 84, 85 and 86.

RIAC would like to remind all prospective bidders/offers that additional Addendums may be issued by RIAC until the responses to questions deadline. As such, RIAC encourages prospective bidders/offers to visit [www.flyri.com/riac/procurement](http://www.flyri.com/riac/procurement) on a frequent basis.
